Dear Supervisors:

**STREET LIGHTING DISTRICTS
ANNEXATION AND LEVYING OF ASSESSMENTS FOR
COUNTY LIGHTING MAINTENANCE DISTRICT 1687
AND COUNTY LIGHTING DISTRICT LANDSCAPING AND LIGHTING ACT-1,
UNINCORPORATED ZONE, AND NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES
FOR APPROVED TENTATIVE SUBDIVISION TERRITORIES IN THE UNINCORPORATED AREAS
OF SOUTH WHITTIER AND VALENCIA
(SUPERVISORIAL DISTRICTS 4 AND 5)
(3 VOTES)**

SUBJECT

This action is to annex territories known as Tract Nos. 69468, 72216, and 61105 located in the unincorporated areas of South Whittier and Valencia to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, for street lighting purposes; order the levying of assessments; and approve the negotiated exchange of property tax revenues among those nonexempt taxing agencies whose service areas are subject to the jurisdictional changes.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the proposed project is categorically exempt from the provisions of the California Environmental Quality Act for the reasons stated in this letter and record of the action.
2. Adopt the Resolution of Intention to Annex Approved Tentative Subdivision Territories to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, and Order the Levying of Assessments within the Annexed Territories for

Fiscal Year 2016-17, whose areas and boundaries are identified on the diagrams included in the resolution.

3. Set a date for a public hearing regarding the proposed annexations of approved tentative subdivision territories and levying of annual assessments based on the Fiscal Year 2015-16 Annual Engineer's Report, which establishes assessments based on land use type for all zones within County Lighting District Landscaping and Lighting Act-1 for street lighting purposes, with an annual base assessment rate for a single-family home of \$5 for the Unincorporated Zone.

4. Instruct the Acting Executive Officer of the Board to cause notice of the public hearing by mail at least 45 days prior to the scheduled public hearing date of September 22, 2015, pursuant to section 53753 of the California Government Code. The mailed notice will include assessment ballots.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT THE BOARD:

1. Find that the annexations and assessments are for the purpose of meeting operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the operation and maintenance of streetlights necessary to maintain service within the proposed annexation territories.

2. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or in opposition to the proposed assessments.

3. Determine whether a majority protest against each proposed annexation or assessment exists.

4. Make a finding terminating the annexation, levying of assessments, and property tax transfer proceedings in those subdivision territories where the proposed annexation and levying of assessments have been rejected, if any, as a result of a majority protest and refer the matter back to the Department of Public Works.

5. If there is no majority protest against the proposed annexations or assessments, adopt the Resolution Ordering Annexation of Approved Tentative Subdivision Territories to County Lighting Maintenance District 1687 and County Lighting District Landscaping and Lighting Act-1, Unincorporated Zone, Confirming a Diagram and Assessment, and Levying of Assessments within the Annexed Territories for Fiscal Year 2016-17, either as proposed or as modified by the Board. The annexation and the exchange of property tax revenues shall not become effective unless the legal descriptions for the annexation areas are approved as to definiteness and certainty by the Assessor and, when legally required, the final subdivision map is approved and recorded with the Registrar Recorder/ County Clerk. The adoption of the Resolution Ordering Annexation shall constitute the levying of assessments in Fiscal Year 2016-17.

6. Adopt the Joint Resolutions between the Board and other taxing agencies approving and accepting the negotiated exchange of property tax revenues resulting from the annexation of subdivision territories to County Lighting Maintenance District 1687 as approved by the nonexempt taxing agencies.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this recommended action is to: (1) find that the project is exempt from the California Environmental Quality Act (CEQA) Guidelines; (2) annex specified tentative subdivisions to County Lighting Maintenance District (CLMD) 1687 and County Lighting District (CLD) Landscaping and Lighting Act-1 (LLA-1), Unincorporated Zone (collectively, County Lighting Districts); (3) levy assessments in Fiscal Year 2016-17 on each lot or parcel lying within the proposed annexation territories based on land use categories that designate usage units on the basis of benefits received; and (4) approve the exchange of property tax revenues between CLMD 1687 and other nonexempt taxing entities whose service areas are subject to the jurisdictional changes.

The Los Angeles County Code requires the installation of a street lighting system by a developer. The proposed annexation, levy of assessments, and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the streetlights.

Implementation of Strategic Plan Goals

This action will further the County's Strategic Plan Goals of Operational Effectiveness/Fiscal Sustainability (Goal 1) by ensuring the continuation of services to maintain the lighting districts and appurtenant improvements that benefit those who live within the districts. This action is consistent with Community Support and Responsiveness (Goal 2) by establishing assessments to provide the funding necessary for the operation and maintenance of the lighting districts and appurtenant facilities that benefit the properties within the districts. In addition, this action is consistent with Integrated Services Delivery (Goal 3) by maintaining lighting services to provide for the delivery of a customer-oriented municipal service for the convenience of the benefiting public, which improves the quality of life in the County.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the Fiscal Year 2015-16 Budget for CLMD 1687 to fund the estimated cost of \$83,437 for the operation and maintenance of the streetlights within the annexed territories.

In subsequent years, the ongoing operation and maintenance costs of the streetlights within the annexed territories will be funded by the share of ad valorem property taxes, supplemented by assessments annually approved by the Board from property owners within these annexed territories. The adoption of the Joint Resolutions will result in a minimal property tax growth transfer from the affected taxing entities, including the County General Fund; the County of Los Angeles Public Library; Road Maintenance Districts 4 and 5; Los Angeles County Flood Control District; and the Consolidated Fire Protection District of Los Angeles County to CLMD 1687.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

New developments are required to provide street lighting in accordance with the County Code and applicable subdivision, planning, and zoning ordinances as a condition of approval. The California Streets and Highways Code sections 5821.3 and 22608.2 provide that a territory owned by a subdivider subject to said ordinance may be annexed to a lighting district without notice and hearing or filing of an Engineer's Report, or both. The posting and publishing requirements and filing of an Engineer's Report for the subdivision annexation projects are, therefore, not required.

However, the procedures for levying of assessments previously authorized by the Board under California Government Code section 53753, including the distribution, receipt, and tabulation of ballots at a public hearing, are required and will be followed for each subdivision annexation project. The assessments will not be levied if the weighted majority of ballots returned are opposed to the assessment.

The enclosed Resolution of Intention must be adopted to set a date for the required public hearing.

The Board, at the close of the public hearing, may delay its determination regarding the annexations and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexations and/or assessments.

The Landscaping and Lighting Act of 1972 (California Streets and Highways Code section 22573) provides for the assessment of street lighting costs against the benefited properties within CLD LLA-1 by any formula or method that fairly distributes the costs among all assessable lots or parcels in proportion to the estimated benefits to be received by each lot or parcel. A method of distributing the street lighting costs based on land use was approved by the Board on May 22, 1979, and amended on July 22, 1997, to include government-owned or -leased parcels. The same distribution method was used to compute the Fiscal Year 2015-16 base assessment rates for each zone within CLD LLA-1 as shown in the Fiscal Year 2015-16 Annual Engineer's Report on file with Public Works.

The assessments are subject to the results of ballot tabulation at the conclusion of the public hearing. Failure to annex a territory, levy assessments, and collect property tax revenues will result in the inability to operate and maintain the streetlights as part of the County-administered street lighting districts and will result in the project not being allowed to record or be issued a building permit.

The approval of the enclosed Resolution Ordering Annexation of Approved Tentative Subdivision Territories, the levying of assessments, and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the streetlights in the annexed territories.

The California Revenue and Taxation Code section 99 et seq. provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by resolution. The Joint Resolutions approving and accepting the negotiated exchange of property tax revenues have been approved by all other nonexempt taxing agencies are enclosed for your consideration.

Following the Board's approval of the resolutions for the annexation, levying of assessments, exchange of property tax revenues, and the recordation of a final subdivision map and/or approval of the legal description by the Assessor, Public Works will file the statement of boundary changes with the State Board of Equalization as required by California Government Code section 54900 et seq.

The resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

The proposed project is categorically exempt from the provisions of CEQA. The project to annex territories to CLMD 1687 and CLD LLA-1, Unincorporated Zone, for the purpose of enhancing street lighting, is within a class of projects that have been determined not to have a significant effect on the environment in that it meets the criteria set forth in section 15301(c) of the CEQA Guidelines and Class 1(x)(27) of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G, that specifically include annexations to street lighting districts and installation of streetlights and involves no expansion of use. In addition, there are no cumulative impacts, unusual circumstances, or other limiting factors that would make the exemption inapplicable based on the project records.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The annexation of territories to CLMD 1687 and CLD LLA-1, Unincorporated Zone, will result in street lighting for these territories and will have no impact on other services or projects.

CONCLUSION

Please return one adopted copy of this letter and a copy of the signed resolutions to the Department of Public Works, Traffic and Lighting Division. Also, please forward one adopted copy of the letter and resolutions to the Assessor, Ownership Services Section (Attention Sonia Carter Baltazar) and one to the Auditor-Controller, Tax Division (Attention Grace Kinoshita).
